

## **ASPO 2019 Poster Session Information**

**The Poster Session and Reception will be held on MONDAY evening, March 11 from 5:30pm - 7:30pm** at the Hilton Downtown Tampa (Bayshore Ballroom). We ask that you have your poster displayed by 2 pm so the judges can begin viewing the posters. Please be available for questions and discussion about your poster during the poster session.

**Poster Size:** no larger than 4 ft x 4 ft - You will be sharing a board with another presenter, so it is important to properly size your poster.

**Board Information:** Each board will come with push pins. The poster boards are double-side free standing boards. They are metal framed with a soft core for applying the posters with push pins.

**Board Assignment:** Your poster will be assigned a board and number. Please do not remove the numbers from the poster boards. In order for you to locate your assigned board your abstract will be posted to the board. You can remove this once you are ready to put up your poster.

Each presenter is responsible for the set up and removal of his/her poster.

**Removal of poster:** Please remove your poster by 11am on Tuesday, March 12. Any posters left on the boards will be disposed of when the boards are removed.
