

44th annual ASPO Conference - March 21-24, 2020, Tucson, AZ

SATURDAY, MARCH 21, 2020

1:00pm – 7:00pm Cancer Prevention & Control Associate Directors/Program Leaders Workshop
- Part 1, Organizer: Electra Paskett, PhD, Ohio State University Cancer Center

SUNDAY, MARCH 22, 2020

8:00am – Noon Cancer Prevention & Control Associate Directors/Program Leaders Workshop - Part 2

9:00am – Noon New Investigators Workshop (Invited Applicants Only)

12:30pm – 2:30pm Working Lunch Meeting of the ASPO Executive Committee

1:00pm – 2:45pm Community Science Program Workshop

1:00pm – 3:45pm ASPO Junior Members Sessions

3:00pm – 4:00pm Meeting of NCI R25T& T32 Training Program Principal Investigators,
Organizer: Shine Chang, PhD, UT M.D. Anderson Cancer Center

4:15-7:00pm Welcome by ASPO President Karen Basen-Engquist, PhD, UT M.D. Anderson Cancer Center

4:30 - 5:00pm Cullen Award Address: TBD

5:00 - 5:30pm Distinguished Achievement Award: TBD

5:30 - 7:00pm **Symposium 1:** Community Science Initiatives
Co-chairs: Lorna McNeill, PhD, UT M.D. Anderson Cancer Center and Sandi Pruitt, PhD, UT Southwestern
Graham Colditz, MD, DrPH, Washington University School of Medicine, *Reducing cancer disparities among rural and medically underserved populations, experience from Southern Illinois and Southeast Missouri.*
Jennifer Bea, PhD, University of Arizona Cancer Center, *Restoring balance in Indian Country*
Bruce Rapkin, PhD, Albert Einstein College of Medicine, *Aligning health system and community efforts to promote cancer prevention and control.*
Linda Ko, PhD, Fred Hutchinson Cancer Research Center, *Community-academic partnerships: best practices, gaps and opportunities.*
Karen M. Winkfield, MD, PhD, Wake Forest Baptist Health, *#BlackHealthMatters: Improving cancer care in Winston-Salem, NC.*

7:00-8:15pm Networking Mixer

8:15pm Dinner on your own

MONDAY, MARCH 23, 2020

8:00am – 9:30am	Concurrent Breakfast Sessions Breakfast Session 1: Joint SIG Breakfast: Lifestyle Behaviors, Energy Balance and Chemoprevention and Survivorship SIG, Co-Chairs: Marji McCullough, ScD, American Cancer Society, Cyndi Thomson, PhD, University of Arizona Cancer Center, and Erin Kent, PhD, University of North Carolina
8:00am - 9:30am	Breakfast Session 2: Special Interest Group Breakfast: Global Cancer Research, Chair: Ramzi Salloum, PhD, University of Florida
9:30am –10:00am	Break
10:00-11:30am	Symposium 2: Precision Prevention vs. Population Prevention (Debate), Co-chairs: Tim Rebbeck, PhD, Harvard University, and Erin Kent, PhD, University of North Carolina Sandro Galea, MD, DrPH, Boston University Muin Khoury, MD, PhD, Centers for Disease Control and Prevention
11:40am - 12:50pm	Lunch Session: Best of Cancer Epidemiology Biomarkers and Prevention, Organizer: Elizabeth Platz, ScD, MPH, Johns Hopkins University
1:00pm - 2:30pm	Paper Session 1: from best ranked abstracts
1:00pm - 2:30pm	Paper Session 2: from best ranked abstracts
2:30 - 3:00pm	Break
3:00 - 4:30pm	Symposium 3: Social and Molecular Influences on Health Disparities, co-chairs: Tomi Akinyemiju, PhD, MS, Duke University and Stephanie Schmit, PhD, MPH, Moffitt Cancer Center Scarlett Gomez, PhD, MPH, UC – San Francisco, <i>Building infrastructures to study contextual and molecular influences of health disparities: Application of multilevel social frameworks.</i> Timothy Rebbeck, PhD, Harvard School of Medicine, <i>Integration of molecular and social factors in understanding cancer disparities.</i> Camille Ragin, PhD, MPH, Fox Chase Cancer Center, <i>Cancer in the African diaspora: examining social and molecular levels of influence.</i> Jesse Plascak, PhD, MPH, Rutgers Cancer Institute of New Jersey, <i>Large-scale assessment of social environmental factors for linkage to epigenetic profiles among a cohort of breast cancer survivors.</i>
4:30 - 5:30	ASPO Annual Business Meeting
5:30pm – 7:30pm	Poster Session and Reception (awards ceremony & poster prizes)
7:30pm	Dinner on your own

TUESDAY, MARCH 24, 2020

8:00 - 9:30am	Breakfast Session 3: Special Interest Group: Cancer Health Disparities, Chair: Yamile Molina, PhD, University of Illinois – Chicago
9:30am - 10am	Breakfast Session 4: Special Interest Group Breakfast: Molecular Epidemiology and the Environment, Chair: Katherine Reeves, PhD, University of Massachusetts Break
10:00am - 11:30am	Symposium 4: Mind the Gap: Implementation of Evidence-based Approaches in Cancer Control , Co-chairs: Carolyn Fang, PhD, Fox Chase Cancer Center and Kathryn Weaver, PhD, Wake Forest School of Medicine Lucy Spalluto, MD, Vanderbilt University, <i>Current lung cancer screening strategies in the Veterans Health Administration</i> April Oh, PhD, MPH, National Cancer Institute, <i>DCCPS, Speeding uptake of evidence-based interventions into practice: Lessons learned from the NCI's SPRINT Program.</i> Hoda Badr, PhD, Baylor College of Medicine, <i>Down the rabbit hole: Experiences of an NCI SPRINT program participant</i> Melissa Simon, MD, Northwestern University
11:30am - 1pm	Lunch session 1: Early career investigators – NCI presentation Lunch session 2: Late early career investigators – Community of Science Networking Lunch session 2: Mid- to senior investigators
1:15pm - 2:45pm	Paper session 3 - from best ranked abstracts
1:15pm - 2:45pm	Paper session 4 - from best ranked abstracts
2:45pm	Conference Concludes
